EXPERIENCE

Woof JavaScript Developer

Uncommon.org

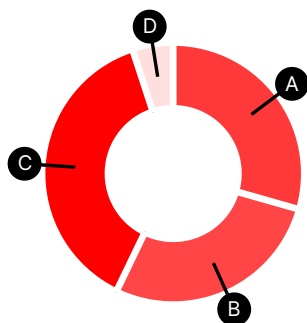

- Started my first gaming projects whereby I coded some games which are realistic and are used by kids
- Developed relationships with young adults and kids teaching them about scratch and woof on how to create their own games
- Volunteered on teaching highschool Students JavaScript for free so that I gain much experience in the industry

Full Stack Developer

Uncommon.org

- Coded a e-commerce website which gives users access to buy and sell things online
- Coded a prepnapal website using Html ,Sass and JavaScript.The website offers free online lessons to young adults range between 16-28 years
- Coded meikles project using Js ,Html and Css.The website works on some donations which are given to the low families
- Contributed on creating deriv landing page with one of my Colleagues Named Declan
- Named WAC Offensive Player of the Year twice and became the only player in NCAA Division I FBS history to amass 10,000 passing yards and 4,000 rushing yards in a career

MY TIME

- A Philanthropy and volunteering
- B Reading and learning
- C Coding
- D Travelling

TOP STRENGTHS

Empowering communities

Kaepernick's commitment to raising the profile of underrepresented communities is commendable.

Capitalizing on media interest

Taking attention placed on you to convey a powerful message is synonymous with the star.
